Subject: National Convention Meeting

Hello!

I hope that everyone had a great winter break. Now, we need to plan for the National Convention. A planning meeting will be held on Friday 23 @ 4:00PM in Seaton 164E. All committee heads should attend. If you can not make the meeting, please email me.

It would help if you email me good times for meetings. Brian and I have a hard time finding meeting times without knowing everyone's preferences.

The meeting with the National Tau Beta Pi people has been moved up from April to end of Feb. That means, we need to get going! Also, we don't have all the committees spoken for. So, if you know someone who would be interested, please invite them to the meeting.

Thank you!
-H
